## OVERVIEW

One of the best ways to order the products online easily and quickly is with the help of Order by SKU extension for Magento. It lets you add the items in the cart by their SKU.

Order by SKU extension for Magento is a extension for Magento that helps you search the products and add them to cart quickly. If you just start typing the SKU of your desired product in the search text box, it will give you suggestions of the product. All you need to do is select the desired product, write the quantity and click on the 'add to cart' button'.

## Features

- Can add multiple items to cart in just a few clicks by adding CSV file which contains SKU and quantity of the product.
- Shows SKU, name of the product, quantity as well as the price.
- Supports simple, virtual and downloadable products.
- Easy to install and upgrade.
- Easy to use.
- User friendly interface.
- Supports translation.

To know more about our Order By SKU Extension Services feel free to call us at +1.631.897.7276 or email us at [info@brainvire.com](mailto:info@brainvire.com).

## Installation Steps

1. Clear the store cache under **var/cache** and all cookies for your store domain.
2. Disable compilation for Magento 1.4+. Log into Magento **Admin Panel** and go to **System → Tools → Compilation** and disable the compilation.

Dashboard Sales Catalog Customers Promotions Newsletter CMS Blog Reports **System** Get help for this page

# Display in Frontend:

The screenshot shows the top navigation bar of a Magento store. It includes the Magento logo, a search bar, and user account links. Below the navigation is a category menu with 'Furniture', 'Electronics', and 'Apparel'. A green notification box indicates that two items have been added to the cart: 'logidinovo' and 'W1952TQ-TF'. The main content area is titled 'Shopping Cart' and features a 'Proceed to Checkout' button. The cart contains two items:

	Product Name		Move to Wishlist	Unit Price	Qty	Subtotal	
	<a href="#">Logitech diNovo Edge Keyboard</a> <i>Height</i> opt_width Height	<a href="#">Edit</a>	<a href="#">Move</a>	\$239.99	<input type="text" value="1"/>	\$239.99	
	<a href="#">19" Widescreen Flat-Panel LCD Monitor</a> <i>Height</i> opt_width Height	<a href="#">Edit</a>	<a href="#">Move</a>	\$399.99	<input type="text" value="2"/>	\$799.98	

At the bottom of the cart, there are three buttons: 'Continue Shopping', 'Clear Shopping Cart', and 'Update Shopping Cart'.

## Uninstall

**To force Magento uninstall the module.**

Then replace `<active>true</active>` with `<active>>false</active>` in the following files:

`app/etc/modules/Brainvire_Orderbysku.xml`

```
< Brainvire_Orderbysku>
    <active>true</active>
    <codePool>community</codePool>
</ Brainvire_Orderbysku>
```
